

**“Let the people praise you; o God; Let all the people praise you.”
(Psalms 67:3)**

Dear Sir/Madam;

In the middle of our sufferings brought about by the typhoon “ONDOY” your assistance and help had revived our strength. Thank you for your generosity by sending us clothes and nourishments during the times we are emotionally and physically in need of help.

Please be assured that; as we praise our Lord Jesus Christ, We will always pray for your safety and success. Again thank you very much.

**Sincerely yours,
MR. ROMEL A. CABALPIN
